BC ADAPTIVE SNOWSPORTS

ALL MOUNTAIN CAMP 2027

small group intermediate training

SUN PEAKS | JANUARY 6 -10, 2027

Join us at the BC Adaptive Snowsports All Mountain Camp (AMC)!

This multi-day experience, supported by Alpine Canada, is all about growth, adventure, and connection. Athletes will explore para-alpine race environments while building all-mountain skills in a supportive and fun group setting. Guided by experienced para-coaches, participants will gain confidence, sharpen their technique, push their skills to new levels, and make lasting friendships along the way.

The AMC is suitable for intermediate to advanced skiers who can confidently ski a blue run, link turns with control and load lifts independently. Participants train in small groups with a coach-to-athlete ratio of approximately 1 : 3-4.

Schedule:

Wednesday, Jan 6, 2027
- Arrival/Meet & Greet

Thursday – Saturday, Jan 7 – 9, 2027
- On-snow sessions AM/PM
